Ravi,
Attached are the revised presentation and agenda. We are including a redline version, which shows modified text in red (for you, Elizabeth, and Bill), and a clean version (for you to send to Silvina and any others). The agenda has also been updated to include Silvina's comments. Per our discussion, it works for you to do the large group meeting summary slides. Please let me know if you would like to discuss them ahead of the meeting.
Let us know if you have any further changes, otherwise, as you mentioned, you will be emailing the presentation and agenda to the meeting attendees.
Thanks
Dan

Dan Attached are comments from EPA HQ. Can we talk about these comments and suggestions from tomorrow ? I also think Silvina wants to see the presentation sooner than later. Can I get it tomorrow morning ? What works tomorrow for you for a call ?
